**About our Email Accounts:** Email service allows you to communicate with anyone else in the world that also has an Email address. Our email accounts are industry standard including, Spam & Virus Filtering, sending and receiving Attachments, and options for Custom Domains, Whitelist Receiver list, Mobile Sync, and Hosted Exchange Mailboxes.

**About our Internet Filtering:** Our Filtering includes options ranging from most restrictive to least:

- Whitelist Internet (You choose the sites that will be accessible)
- Previewed Internet (All sites are previewed by Emypeople staff)
- Filtered Internet (Uses a computer based preview process)

Notable Features:

- Image scanner (helps block objectionable pictures in real time)
- Group Filtering Profiles (Multiple accounts under one Filter or Whitelist Profile).

**NOTE: Prices and plan details can change at any time please contact us for current info.** Pub date 2/7/13
